

# CIO SUMMIT SNAPSHOT

POTOMAC OFFICERS CLUB

**EM**   
Executive Mosaic

# BACKGROUND

In an increasingly digital world, the deployment of modern, efficient and secure information technology systems is critical to ensuring that federal operations go smoothly and that cyberthreats are deterred. Recognizing the need for stronger IT systems, President Biden issued an Executive Order calling for upgrades to cyber defenses across all government platforms in 2021.

# CONTRACT OPPORTUNITIES

**The Department of the Interior** is currently accepting proposals for its potential **\$1 billion** Foundation Cloud Hosting Services 2 contract to streamline and modernize the Department of Agriculture's Digital Infrastructure Services Center.

**The Cybersecurity Infrastructure Security Agency** has issued a solicitation for its five-year, **\$200 million** Digital Transformation Support Services Blanket Purchase Agreement targeting IT operations, enterprise architecture, compliance and more.

**The Defense Health Agency** has issued a notice for its potential **\$700 million** Development Multiple Award Contract 2.0, which is a key part of the Defense Healthcare Management System Program Executive Office 3.0 digital transformation strategy.

# NETWORKING OPPORTUNITIES

EXECUTIVES FROM 118 COMPANIES WILL BE ATTENDING THE SUMMIT.
